

020 Find the Pair 1

Differentiating between shapes, colours and sizes

Starting Session

Hand out the Miniland vehicles and play grouping them together. Talk about the differences and similarities in the vehicles: shapes, colours and sizes. Aprovechar to develop spatial concepts such as above and below in front of, behind, etc.

Miniland Product Game

Using the Miniland vehicles reproduce the sequence shown on the sheets (printed out beforehand). Discuss concepts related to colours, similarities, differences, "the same as...", "different from...", etc.

Digital Game

When finished, play the digital game to reinforce content. The game consists of finding the pair of the vehicle travelling along the road. Place an identical vehicle on the road.
