

032 Parts of the Face

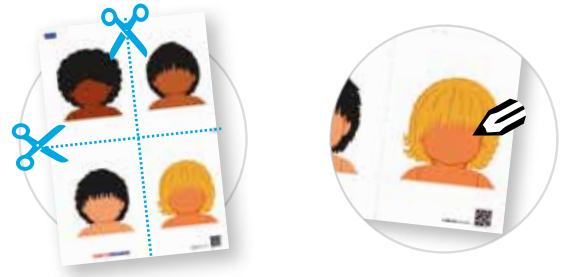

Getting to know the parts of the face

Starting Session

Talk about the parts of the face and the function of each one: “the mouth is for eating”, “the eyes are for seeing”, “the nose is for smelling”, etc.

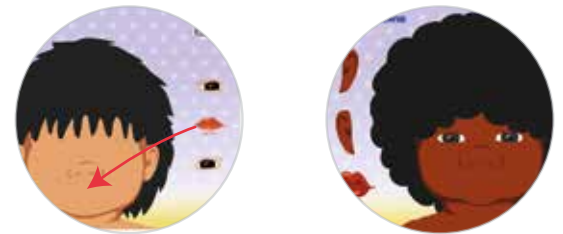

Miniland Product Game

Print out the sheets of the 4 face silhouettes beforehand. Draw the parts of the face on each one with the help of the Miniland doll.

Digital Game

When finished, play the digital game to reinforce content. The game consists of dragging each part of the face to its corresponding position until the 6 elements (eyes, mouth, nose and ears) have been put in place.

Educational content
